

DETOX CYCLE

SONIX WHOLE BODY VIBRATION
An “exercise” device that increases circulation and lymphatic detoxification, strengthens and stretches muscles, and encourages bone health.

BIOCLASSIC IV
This incredible IV therapy relieves migraines and hangovers, helps fight depression, and protects against seasonal allergies.

NANOVI TREATMENT
A therapeutic device that uses humidified air to improve heart rate variability, enhance physical and cognitive performance, and support overall wellness.

HEMO-SONIC LYMPH & TISSUE LIGHT
A gentle detoxification therapy that synchronizes and improves blood and lymph circulation.

ION CLEANSE
A warm water foot bath that detoxifies, elicits cellular energy, and promotes relaxation and focus.

INFRARED SAUNA
Relax in a comfortable wooden sauna to relieve minor aches and pain, decrease inflammation, boost the immune system, purify the skin, and encourage weight management.
